What if I don't have a credit card to use?

If you do not have a Visa or MasterCard, you could purchase a prepaid (often re-loadable) credit card to use. These are readily available from many merchants, including Australia Post. BPOINT accepts these cards for payment.

Please note: The DCSI Screening Unit does not accept cash payments.

If this is the only option available to you, you will need to discuss this with your organisation and negotiate for them to pay on your behalf in the first instance and then reimburse them. In this case, your Requesting Officer will need to adjust the payment option on your application form.
