

# Check if a clearance is current

**Did you know you can go online and check if a screening clearance is current - or in progress?**

## **To search for a current clearance**

Go to [www.dcsiscreening.sa.gov.au](http://www.dcsiscreening.sa.gov.au) and log in to the portal. Click on 'Person Search', enter in the person's name, date of birth - and screening type **or** screening reference number - then search.

*This is a secure process and only nominated staff within any organisation registered with the DCSI Screening Unit can log in and conduct a search. You can check all types of clearance (except for general employment probity checks).*

## **To see the status of an application in progress**

Go online to '[Check Application Status](#)'. For this search, you only need to enter in the person's name and screening application number.

For more information see our website: [www.screening.dcsi.sa.gov.au](http://www.screening.dcsi.sa.gov.au).
